Curvette

Consider dual roller blinds (sheer & blackout) for complete control over light and privacy!

Roller Blinds.

Amaru's beautiful collection of quality, custom-made roller blinds offer a refined and contemporary appeal and are available in a wide range of fabrics and designs. Complement your décor whilst allowing the views outside to be the real hero.

Roman Blinds.

Our custom-made roman blinds have ornate, pleated folds that are gently raised, fold by fold, to create a soft, layered look.

Our range of fabrics coordinates across other blinds styles including roller, panel and vertical.

Venetians.

Timber and aluminium blinds are an affordable and attractive addition to any home or workplace. They come in three slat sizes with a cord and wand control, or consider motorising your timber and PVC venetians for added luxury.

Allows airflow on hot nights without compromising your privacy.

Curvette.

Combining the beauty of a sheer curtain with the versatility of a blind, Amaru's exclusive Curvette range uses an innovative system to provide you with control over light and privacy with the simple twist of the wand.

Vertical Blinds.

Panel Blinds.

Do you have sliding doors or larger windows? Gain easy access to the outdoors with panels that glide smoothly along slimline tracks before stacking into a single panel.

Décor Consultants

If you're unsure about the colour and style that would suit your home, speak with our friendly décor consultants for their expert advice.

Motorise Your Blinds

If you want to operate your blinds at the push of a button, consider our motorised blind options. Almost all of our range can be motorised – ask our team today!

Full Installation

We only employ trade qualified professionals, who have been trained in the correct installation process, to install our blinds.
